

Wild Devil Software Co.

Website Privacy Policy

Wild Devil Software Co. aims to collect the minimum amount of data necessary to operate our services. We respect your privacy and do not sell your data.

Any personal and sensitive details provided during the request of an online quote are stored securely, and will only be used to deliver your quote.

All personal and sensitive details provided during the stages of development and deployment are stored securely, and only used to deliver your product and deploy any software in production.

Unidentifiable metrics may be collected to aid the continuous development of <https://wilddevil.com.au> and associated services using the privacy focused [Plausible Analytics](#).

Wild Devil Software Co. reserves the right to regularly update this privacy policy document. The latest version can be accessed at <https://wilddevil.com.au/doc/privacy-policy.pdf>.
